## PROCLAMATIONS

[L.S.] GEORGE R. PEARKES,  
*Lieutenant-Governor.*

### CANADA:

### PROVINCE OF BRITISH COLUMBIA

ELIZABETH the SECOND, by the Grace of God, of the United Kingdom, Canada and Her other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith.

To all to whom these presents shall come—  
Greeting.

### A PROCLAMATION

R. W. Bonner, *WHEREAS, from the Attorney-General,* discovery of the territory, the forests have played a vital part in the development of what is now the Province of British Columbia:

And whereas the process of harvesting the forest resources and the revenues that have derived from domestic and foreign trade in forest products have stimulated the opening-up of the Province and the rapid increase of population:

And whereas approximately half of the annual income of the people of British Columbia, and the employment of a large proportion of our population, is dependent upon the forests and the industries that derive their raw material from those forests:

And whereas the forests constitute a major attraction to the thousands of visitors who spend their vacation time in British Columbia:

And whereas forest fires constitute a serious menace to British Columbia forests and take an annual toll in timber, employment, and beauty:

And whereas over 60 per cent of the forest fires that ravage the Province each year are caused by man and could be prevented by the exercise of care when in the forests:

And whereas We have thought fit, by and with the advice of Our Executive Council of Our said Province, to appoint the week May 12 to May 19, inclusive, 1962, as National Forest Conservation Week throughout the Province:

Now know ye that We do issue this Our Royal Proclamation, and do hereby proclaim the week May 12 to May 19, inclusive, 1962, as National Forest Conservation Week throughout the Province.

In testimony whereof, We have caused these Our Letters to be made Patent, and the Great Seal of Our Province to be hereunto affixed.

Witness, Major-General the Honourable George Randolph Pearkes, V.C., P.C., C.B., D.S.O., M.C., Lieutenant-Governor of Our Province of British Columbia, in Our City of Victoria, in Our Province, this first day of May, in the year of our Lord one thousand nine hundred and sixty-two, and in the eleventh year of Our Reign.

By Command.

Bridge Project No. 325 — Trans-Canada Highway, Thompson River Crossing at Spences Bridge, Mile 261.15, Contract No. 3 (Construction of Light-weight Concrete Deck).

SEALED TENDERS, marked "Tender for Bridge Project No. 325—Thompson River Crossing at Spences Bridge, Contract No. 3," will be received by the Minister of Highways, in his office at the Parliament Buildings, Victoria, B.C., up to 2 p.m. (Pacific Daylight Saving time) on Wednesday, the 23rd day of May, 1962, and opened in public at that time and date. Contractors are eligible if, at the time when the contract is entered into, the contractor was a resident of Canada or, if the contractor is a corporation, it was, for a period of at least one year immediately prior to that time, incorporated and carrying on business in Canada or the owners of a majority of the shares of such corporation were resident, for a period of at least one year immediately prior to incorporation, in Canada.

Plans, specifications, and conditions of tender may be obtained from the Department of Highways, 635 Burrard Street, Vancouver 1, B.C., or from the undersigned, for the sum of ten dollars (\$10), which is not refundable.

Each tender must be accompanied by a certified cheque or a bid bond in an amount equal to five per cent (5%) of the tender price. If a bid bond is used, a performance bond in the amount of one hundred per cent (100%) of the tendered sum, in a form acceptable to the

Minister of Finance, must then be provided by the successful bidder prior to the award of the contract. If a deposit cheque is used, it shall be retained and forfeited if the contractor fails to carry out the work contracted.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time-limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.
